Stage 2

**Laboratory safety and security
guidelines**

By

Msc. Zainab Nadhum Aziz

LAB.1 Laboratory safety and security guidelines

- ❖ Lab coats should be worn at all times. Personal belongings i.e. coats, jackets, bags should not be brought to the laboratory.
- ❖ Approved eye protection and face shields must be worn at all times in the laboratory.
- ❖ Contact lenses should not be used in the laboratory.
- ❖ Eating, drinking and smoking are prohibited in all laboratories.

Laboratory safety and security guidelines

- ❖ Chemicals should not be smelled or tasted. They should not be touched without wearing gloves, they must be weighed and transferred with appropriate materials.
- ❖ Before leaving the laboratory, make sure your work area is clean.
- ❖ Before leaving the laboratory, ensure that all gas, water, vacuum, and air valves and
- ❖ lights are completely turned off.
