Hi Ivana

I write / 'm writing¹ to say thank you for the birthday card, and to tell you how I get on / 'm getting on². The course is hard work, but I 'm enjoying / enjoy³ it so far. We usually have / are having⁴ classes every morning, but this week I 'm working / work⁵ in Geriatrics all day. It's interesting, although of course I want / 'm wanting⁶ to work as a scrub nurse.

On the geriatric ward I 'm making / make⁷ beds and checking / check⁸ patients' blood pressure and temperature. I 'm learning / learn⁹ a lot, and the experience is very useful.

I 'm going out / go out¹⁰ most Saturday nights, but stay in and study on other days. Tomorrow I go / 'm going¹¹ to a restaurant for my birthday! I make / 'm making¹² a lot of friends, but I wish you were here too. Write to me!

love

Maria Carmen
