Chevron secures deal to develop Iraq's Nasiriyah, Balad oilfields

Baghdad (IraqiNews.com) – The Iraqi Oil Ministry signed on Monday two agreements with **US-based** Chevron to manage and develop major hydrocarbon resources in the country.

Al-Maliki defies US threats, refuses to quit Prime Minister bid.

Iraq's candidate for the premiership, Nouri Al-Maliki, told AFP on Monday that he will not withdraw his candidacy after US threats to cut all support if he returns to the post.
