Course Description Form

3. Course Name:
Nursing
4. Course Code:
MU05034005

5. Semester / Year:				
Annual				
6. Description Preparation Date:				
01/11/2025				
7. Available Attendance Forms:				
Presented				
8. Number of Credit Hours (Total) / Number of Units (Total)				
Theory/ (3) hours weekly of (15) weeks + practices /(6) hours weekly of (15) weeks.				
9. Course administrator's name (mention all, if more than one name)				
Name: Rania Abd Elmohsen Abo El nour Email : rania.abd.elmohsen@uomus.edu.iq				
10. Course Objectives				
Course Objectives	<ul style="list-style-type: none"> Understand the historical and development of nursing profession . Realize the personal characteristics and human needs. Recognize the concept of health, wellness, and illness. Describe the health care delivery system . Identify the fundamental of nursing in regard to patient, nur environment, and health agencies. 			
11. Teaching and Learning Strategies				
Strategy	<ul style="list-style-type: none"> Written Assignments Questioning Classroom Discussion and Debates
